

SECURITY RESPONSE MEMBERSHIP

Global Guardian's Security Response membership provides comprehensive evacuation coverage in all types of crises. In the event a Security Response member is in a country that receives a Do Not Travel Warning from the U.S. State Department, Global Guardian will execute their evacuation to safe haven at no-cost to the member. As a Security Response member, coverage protects you from costly, dangerous and unforeseen events that may arise. This unique membership is all-encompassing and flexible, serving as a general travel security consultant to a responder of last resort during the most challenging global security emergencies.

COVERAGE BEYOND BASIC

Security Response provides world-class support services and financial protection for all global travelers and businesses, including:

- ▶ Vacation and Adventure Travelers
- ▶ Security Managers
- ▶ Business Travelers
- ▶ Study Abroad Students

WHAT DOES A SECURITY RESPONSE MEMBERSHIP COVER?

Qualifying Security Evacuation Event

An activity or event that occurs in a location that causes the U.S. State Department to issue a Level 4 Travel Advisory with respect to the affected area or region where the Member is then located.

Security Evacuation Services

Global Guardian will provide, arrange, and pay all necessary and ordinary expenses for rescue, air and/or surface transport to the Traveling Member's place of residence in the event the Traveling member is experiencing a Covered Event and requests transport.

Restrictions

Without a U.S. State Department evacuation notice, Global Guardian cannot guarantee an evacuation, but will assist the member with resources as permitted. Please refer to the Security Response Terms and Conditions for more details regarding the membership and associated services.

PROVEN WORLD CLASS EXPERIENCE

Comprised of former military, Special Operations, and federal law enforcement, our team has extensive experience in international security and operations.

Our reputation for service and our proven ability to respond to any global emergency separates us from others in the industry. With teams on the ground covering over 100 countries, we are able to aid our members in minutes and hours versus days or weeks.

TERRORIST ATTACK, FRANCE
Event: Terrorism

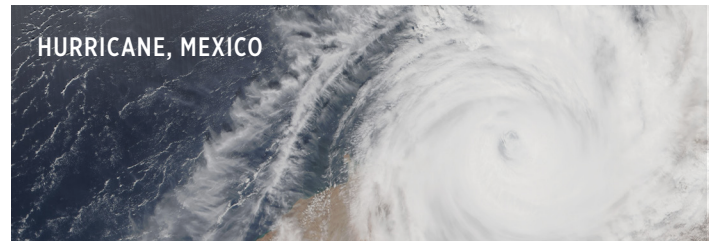

Location: France

Service: Members contacted the 24/7 Operations Center via the Global Guardian application to report that they took shelter within blocks of one of the attack sites. Global Guardian Operations Center immediately dispatched a security agent to the vicinity of the member's location, then guided the agent on foot through road closures and police activity to the member's exact location. The response team secured the members within 30 minutes of initial contact and safely relocated the members to their hotel.

OPERATE GLOBALLY IN CONFIDENCE

Security Response provides rapid response in circumstances where travelers experiencing a security related issue require immediate assistance and support.

The world and your situation can change in an instant. Our dedicated team of security specialists ensure that members have 24/7 advisory and crisis support during security related incidents.

HURRICANE, MEXICO
Event: Natural Disaster

Location: Mexico

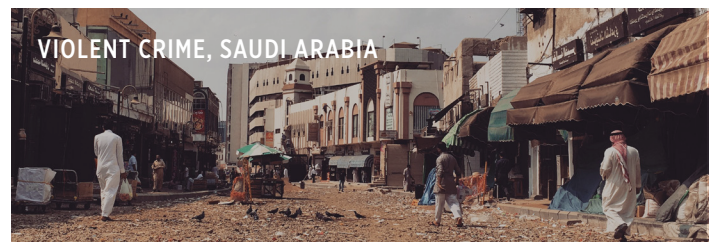

Service: To rescue several members during a devastating hurricane, Global Guardian sourced an executive aircraft operated by Mexican registered companies carrying Mexican tail numbers. The aircraft was then loaded with food, water, and medical supplies. Simultaneously, Global Guardian's local security teams located and secured members and escorted them to the airport. The aircraft flew in, offloaded supplies as directed by military forces and evacuated the members back to the United States.

PANDEMIC, CHINA
Event: State of Emergency

Location: China

Service: A member who was visiting China contacted the Operations Center by phone soon after the U.S. State Department escalated the country's Travel Warning to a Level 4 due to the COVID-19 outbreak. Global Guardian liaised with the member and booked them flights out of country, and arranged for a driver from one of their local security teams to pick up the member from his location and drive him to the airport. The member was flown out of the country within 24 hours from the time of his call.

VIOLENT CRIME, SAUDI ARABIA
Event: Violent Crime

Location: Saudi Arabia

Service: A member who was working in Saudi Arabia called our Operations Center to advise them that he had just been robbed at knifepoint. Criminals in two vehicles forced the member's car to the side of the road and at knifepoint, stole the member's wallet and identification. Global Guardian Operations Center personnel immediately ensured his safety, and sent a local ground security team to the member's location, got him back to his hotel, and assisted him in filing a report.
